

L'Ecole des Petits & L'Ecole de Battersea

6th March 2020

Dear Parents

As you know, we are closely monitoring the COVID-19 situation.

In your children's interest, we continue to abide by our **self-isolation policy** which goes beyond government and health authorities' recommendations.

As a reminder: any person having travelled to or transited via **ANY COUNTRY OR REGION IN ZONE 1 OR 2**, or having been in contact with a person/persons in that situation is to stay self-isolated for 14 days following their return, even in the absence of symptoms.

Rest assured that the **School's hygiene is very thorough**. Beside the undivided attention paid to adults' and children's handwashing, bannisters and door handles are even more regularly disinfected.

As a precautionary measure, we have decided **to cancel all indoors trips in public places**, such as museums or theatres, until the Easter holidays.

This decision follows the measures we have already taken, our objective being to carry on with teaching to the best of our ability whilst minimising infection risks.

We will give you more detailed information early next week.

We thank you for your understanding and cooperation.

Kind regards

Mme Brisset
