

L'Ecole des Petits & L'Ecole de Battersea

Dear Parents

10th February 2020

Complying with the recommendations from French and British authorities, as well as those of the Agence pour l'Enseignement Français à l'Etranger (agency for French education abroad, which has suspended all school trips to/from and within Asia as a precautionary measure), we would like to remind you that:

- it is strongly recommended to avoid trips to China. The list of countries has been extended by the FCO to now include Thailand, Japan, Republic of Korea, Hong Kong, Taiwan, Singapore, Malaysia or Macau.

- we should be grateful if you could **inform us by email in case you intend to maintain a trip planned to one of these destinations.**

- **any pupil returning from of these countries will have to remain at home for at least 14 days after their return, as per local authorities' and AEFÉ's recommendations.**

Please be assured of our vigilance, particularly regarding our pupils who are suffering from immunodeficiency and who require additional protection.

We thank you for your understanding and are counting on your cooperation and your discernment.

Best regards

The Heads
