

L'Ecole des Petits & L'Ecole de Battersea

17th March 2020

Dear Parents,

We hope this first offsite school day went well for you and your children.

Today, the whole of the teaching staff have been working on the distance learning methods that we will put in place for pupils. Specific training has been aimed at making sure that all staff members will be ready to go live as soon as possible.

This new teaching method will need a period of adjustment for teachers, pupils and their parents, but we trust that everyone will do their best to overcome this new challenge.

At the moment we are awaiting the final validations and the technical adjustments so that our electronic platform could go online.

In order to not keep the children waiting, we have decided to carry on via email by sending you a timetable and details of activities planned, as prepared by the teachers until the end of the week. The children, having collected their belongings yesterday or today, will have more than enough work to take them through to Friday.

In the meantime, we will send you all the information you need to be able to connect and use the platform as soon as it goes live.

Please rest assured that we are doing everything we can to help the children navigate these unusual circumstances that we are all experiencing at the current moment in time.

Best regards,

The Heads
