It is the policy of L'Ecole des Petits and L'Ecole de Battersea to aim to work towards a situation in which children can develop self-discipline and self-esteem in an atmosphere of mutual respect and development.

It is central to the philosophy of L'Ecole des Petits and L'Ecole de Battersea that all staff should be positive at all times towards the children, towards each other and towards the school.

This code of conduct has been formulated with the safety and well-being of the children in mind and to enable the school to function efficiently as a place of learning.

For the purposes of this policy, discrimination means treating people less favourably than other on the grounds of their age, sex, marital status, sexual orientation, gender reassignment, race, ethnic origin, disability, religion or religious beliefs, whether this be by direct or indirect by applying a provision, criterion or practice, which disadvantages such persons.
