Ref. № 144 from 27.05.2022
Drohobych, Ukraine

Dear parents of the Ecole de Battersea,

Charitable Foundation Caritas of Sambir-Drohobych Diocese would like to thank you from the bottom of our hearts for the support you have shown to Ukrainian people currently suffering the war.

We have well received your contribution, which is very needed for providing meals for the internally displaced people (mostly women with children, elderly people and persons with disabilities). During a month, we provide approximately 2000 lunches and more than 1200 product sets and hygienic supplies for IDPs. Part of the costs will be spent for the arrangement of the friendly space (furniture and equipment) for the children who were forced to flee from the war and nowadays temporarily live in our social centers. At present, we assist 153 children who suffer from the war in Ukraine. Here children will be able to get hot meals, continue their education in on-line school, to have art therapy, psychological rehabilitation and the simple possibility to be a child and play, even during the war.

We understand that you have raised the funds through several initiatives; we would like to thank all people who donated as well as those who volunteered in making the fundraising activities being so successful! Also, we would like to thank the owners and members of the board of the school for both donating and initiating such activity.

Please find some pictures of the shelter and the people whom we already help and whom we are going to help thanks to your financial support.

With deep gratitude and thankful prayers,

fr. Ihor Kozankevych
